Subject SAFETY RECALL NOTICE  
Recall No.: 10C-006  
Britax Chaperone Infant Car Seat  
Model Numbers & Manufacture Dates: E9L69N9, E9L69P2, E9L69P3, E9L69P5  
Manufactured between April 2009 through May 2010.

Dear Britax Product Owner,

This notice is sent to you in accordance with the requirements of the National Highway Traffic Safety Administration and the Consumer Product Safety Commission. Britax Child Safety, Inc. has determined that **all Britax Chaperone Infant Car Seats manufactured between April 2009 and May 2010 for Model numbers E9L69N9, E9L69P2, E9L69P3 and EL969P5 contain a defect which relates to safety.** According to our consumer registration records, your Chaperone Infant Car Seat may be affected.

### Description of the Defect

The Chest Clip supplied with the Chaperone Infant Car Seat was incorrectly produced by the manufacturer which resulted in a more brittle chest clip than was intended. As a result, the chest clip which positions the harness straps across the infant's shoulders may break when the chest clip is engaged as the infant is secured into the infant car seat. The sharp edges of the broken chest clip create a risk of a skin laceration and the fractured components of the chest clip may present a small parts/choking hazard. If your chest clip breaks, remove the broken chest clip from the harness along with any fragments. The Chaperone Infant Car Seat can continue to be used until the replacement chest clip is installed.

**Note: Not all Chaperone Infant Car Seats are included in the Campaign. ALL Chaperone Infant Car Seats manufactured after May 2010 are NOT included in the campaign: model numbers E9I692J (Black/Silver), E9L692K (Red), E9L692L (Cowmooflage) and E9L692M (Green).**

## What You Should Do
